

COVID-19 Testing Requirements

ALL patients ordered as Choice or General Anesthesia require a COVID-19 test **no more than 5 days prior to the procedure**. Patients should self-isolate after receiving a negative test result until their procedure, to prevent any potential exposure. If test is positive, please notify us immediately.

PREFERRED OPTION FOR TESTING LOCATIONS IN THE KNOXVILLE AREA

Fort Sanders West Diagnostic Center

210 Fort Sanders West Blvd. | Bldg. 3, Suite 100 | Knoxville, TN 37922 | Phone: 865-531-5400

The lab is located on the first floor of Building 3

IF YOU RECEIVED AN ORDER TO BE TESTED AT FORT SANDERS WEST DIAGNOSTIC CENTER, INSTRUCTIONS ARE LISTED BELOW:

Results obtained in 48-72 hours.

******MUST HAVE ORDER FROM DOCTOR TO TAKE WITH YOU FOR THE TEST******

Walk in **with an order in hand** between the hours of 8:00am -11:00am and 1:00pm-3:30pm, Monday Friday. Bring your insurance card and photo ID. You will be asked to fill out a short patient information sheet and sign a consent form. Please wear a mask and do not bring visitors with you to the appointment unless they are essential to your care. If you receive your test at this location – the KOSC staff will obtain the results for you.

*You may have your test done at your PCP or any other facility if you prefer **ONLY** if you are able to get the results no more than 5 days prior to the procedure.*

****IF YOU OBTAIN YOUR TEST AT A SITE OTHER THAN THE FORT SANDERS WEST DIAGNOSTIC CENTER, YOU WILL NEED TO GET A COPY OF YOUR NEGATIVE RESULTS TO BRING WITH YOU TO KNOXVILLE ORTHOPAEDIC SURGERY CENTER ON THE DAY OF YOUR PROCEDURE****

****Failure to arrive with written test results will require us to reschedule the procedure ****
